“

TO THE CLASS OF 2026,

Oh, what an honour to be an ally on your hero's journey.

Each of you possesses the power to create, innovate, and overcome.

May your life journeys become stories that inspire, challenge, and transform the world, and may your time at UKZN mark a character arc worthy of catharsis, culminating in an elixir that enriches the lives of others.

Never stop believing in the power of your voice and the stories only you can tell.
